The Impact of Your Gift

LEADERShip's annual fundraiser is a premier Ashtabula County leadership recognition and community event. Supporting this event is your opportunity to partner with LEADERShip Ashtabula County so that we can continue our work of educating, inspiring and impacting adults and youth who live and work in our local community!

Becoming an event sponsor benefits your organization by giving you access to over 200 community and business leaders, elected county and state officials and media the night of the event. This is in addition to the hundreds of individuals who will see your support through our alumni and partner network. This elegant and fun evening includes a lively social hour, a plated dinner, live music, and auctions, as well as several fun surprises through the evening keeping guests engaged as they enjoy the night with fellow community leaders. LEADERShip is a 501 c 3 non-profits, so your sponsorship is invested back into our organization and into creating a strong community.
